3. (Unclassified - DFM) LIAISON Delivered to Bill Miller, Staff Director, Senate Select Committee on Intelligence, a memo on CIA's relationship with certain liaison services. Mr. Knoche was to meet with Chairman Inouye on this matter later in the day and we had promised Miller on 29 November 1976 to show him the memo prior to showing it to any Committee members. Miller gave me copies of the Nondisclosure Agreement and the Memorandum of Understanding between the Agency and the Committee which had been signed by the Chairman and Vice Chairman. Miller informed me the New York Times has brought to the attention of the Committee a story from the Manchester Guardian stating that the Agency financed a book written by Robert Moss on Chile and was published or disseminated by World Forum Features. Miller said the book is highly critical of the Allende regime and Senator Frank Church (D., Idaho). Miller asked me for a report on it.

4. (Unclassified - DFM) LIAISON Ben Marshall, Security Director, Senate Select Committee on Intelligence, called to say that the Nondisclosure Agreement between the Committee and its employees cites EO 11652 and the 17 May 1973 NSC Implementing Directives which are to be attached to the agreement for the employees to review. Marshall needs copies of these documents.
